

Women in Mathematics presents

Speed Networking Luncheon

A fun way to get advice and make connections with other female grad students, post-docs and faculty.

Tuesday, March 26, 2019
12:00 - 1:30 pm
MC 5501

Grad students, post-docs and faculty,
who identify as female, are welcome.

Small-group Discussions on
Life in Graduate School,
Work-Life Balance in Academia,
Research and Teaching,
Career Paths, ...

Lunch provided. Please register at
