

WOMEN IN PHYSICS CANADA 2018

July 17-20th, 2018

Université de Sherbrooke, Québec, Canada

ALL GENDERS WELCOME!

The 7th edition of the *Women in Physics Canada* conference (WIPC2018) will feature **interactive workshops** to help you **further your career**, an entire afternoon dedicated to **diversity issues in physics**, **discussion panels**, and **scientific talks** from an array of physics disciplines!

5000\$ in travel funding available!

Present your funding demand before May 20th, 2018!

Present a talk or a poster!

Submit your abstract before May 20th 2018 to gain valuable experience, share your research, and get a chance to win best presentation awards and prizes!

A unique opportunity for your career development!

Join us for numerous networking opportunities, a discussion panel titled "*Career in Physics: Beyond Academia*", and two interactive workshops:

1. "*Research skills*", lead by **Pr. Laura H. Greene**, Florida State University Professor and 2017 APS president.
2. "*Leadership and effectiveness*", lead by **Ingrid Richter PhD**, Telfer School of Management, University of Ottawa.

Become an agent of change for diversity in physics!

Be there to discuss the situation for women in physics in Canada and what we can do to improve it, with **Pr. Maryse Lassonde**, scientific director at FRQNT, and **Pr. Eve Langelier**, holder of the *Chair for Women in Science and Engineering* in Quebec.

Join us for "*Improving lives in academia*", an interactive workshop lead by **Emma McKay** from IQC.

Ask your questions and give your input during the **discussion panel** on obstacles and solutions for women and minority in physics.

Scientific talks presented by top researchers from Canada

- **Laurie Rousseau-Nepton**, Hawaii University, Canada-France-Hawaii Observatory
- **Pr. Naomi Mastuura**, University of Toronto
- **Pr. Brigitte Vachon**, McGill University
- **Pr. Delphine Bouilly**, Université de Montréal
- **Pr. Claudine Allen**, Université Laval
- **Pr. Eva Dupont-Ferrier**, Université de Sherbrooke
- And more to come!
