

Jointly Organized by
Institute of Advanced Studies @ NTU Singapore
Department of Physics, NUS

Supported by
Centre for Quantum Technologies, NUS
South East Asia Theoretical Physics Association
Institute of Physics, Singapore
Asia Pacific Center for Theoretical Physics

The 5th Asia-Pacific Workshop on Quantum Information Science

in conjunction with
the Festschrift in honour of Vladimir Korepin

25 - 28 May 2011
Nanyang Executive Centre, NTU

Invited Speakers include

Rodney BAXTER (Australian National University)
Howard CARMICHAEL (University of Auckland)
Ludwig FADEEV (Steklov Institute of Mathematics)
Kazuo FUJIKAWA (Nihon University)
Molin GE (Nankai University)
Bei-Lok HU (University of Maryland)
Jaewan KIM (Korea Institute for Advanced Study)
Vladimir KOREPIN (State University of New York)
Hai-Qing LIN (The Chinese University of Hong Kong)
Franco NORI (RIKEN Advanced Science Institute)
Barry SANDERS (University of Calgary)
Jaw-Shen TSAI (Macroscopic Quantum Coherence Lab, Riken)
Jason TWAMLEY (Macquarie University)
Zidan WANG (The University of Hong Kong)
Paul B. WIEGMANN (University of Chicago)
Howard WISEMAN (Griffith University)

... and others

International Advisory Committee

Chen Ning YANG (Nobel Laureate in Physics 1957)
Kok Khoo PHUA (Director, Institute of Advanced Studies,
Nanyang Technological University)
Rodney BAXTER (Australian National University)
Howard CARMICHAEL (University of Auckland)
Ludwig FADDEEV (Steklov Institute of Mathematics)
Kazuo FUJIKAWA (Nihon University)
Molin GE (Nankai University)
Jaewan KIM (Korea Institute for Advanced Study)
Choy Heng LAI (National University of Singapore)
Franco NORI (RIKEN Advanced Science Institute)
Jason TWAMLEY (Macquarie University)
