

Institute for
QUANTUM SCIENCE AND TECHNOLOGY
at the University of Calgary

Dear quantum information students and postdocs,

Subject: Invitation to participate in Quantum Information Summer School and Students' Conference

On behalf of the Institute for Quantum Information Science, we cordially invite you to participate in the Thirteenth Annual Canadian Summer School on Quantum Information and the Tenth Annual Canadian Quantum Information Students' Conference, which will be held at the University of Calgary during 17-21 and 24-28 June 2013, respectively.

Thirteenth Annual Canadian Summer School on Quantum Information (CSSQI 2013)

The School features lectures and tutorials by international leaders in quantum information who are known for their groundbreaking achievements as well as their didactic skills. Lecturers are drawn from the fields of computer science, mathematics, chemistry, physics and engineering. For more details about this summer school, please visit <http://www.iqst.ca/events/cssqi13/>.

Tenth Annual Canadian Quantum Information Students' Conference (CQISC 2013)

Now in its tenth year, this annual conference is ideal for graduate students in fields relating to quantum information science and allows students from institutions around the world to come together and showcase their work to their peers. Participants of CQISC are encouraged to present a twenty-minute talk or contribute a poster on their area of expertise. For more details, please visit <http://www.iqst.ca/events/cqisc13/>.

Additional information about Summer School and Conference

The registration fees for the conference and the summer school are \$50 each. This includes breakfasts, lunches and refreshments. Limited free accommodation is available on first-come first-served basis. A discounted of 10% on Airfare is available for delegates flying with WestJet. The program includes a reception during the first week and a banquet towards the end of the conference.

We look forward to seeing you in Calgary!

Edouard Pelchat
Organizer of CQISC'13

Dr. Peter Høyer
Organizer of CSSQI'13

Dr. Barry Sanders
Organizer of CSSQI'13
