

The
Vienna Doctoral Program
on
Complex Quantum Systems
invites applications for
PhD fellowships

Application deadline:
December 15, 2013

Invitations to Vienna:
End of January 2014

Hearing in Vienna:
February 20 and 21, 2014

Information on selection:
End of March, 2014

Start in CoQuS:
October 2014

Application details:
www.coqus.at

Research topics

- ✓ Quantum Nanophysics & Molecular Quantum Optics
- ✓ Quantum Foundations
- ✓ Quantum Information on the Nano- & Microscale
- ✓ Quantum Optics Theory
- ✓ Nano-Fiber Photonics & Quantum Optics
- ✓ Cold atoms and atom chips
- ✓ Quantum-enhanced measurement & metrology
- ✓ Quantum cascade lasers & quantum dots
- ✓ Many-body quantum theory
- ✓ Quantum information sciences & quantum computation
- ✓ Quantum Information and Foundations of Physics
- ✓ Quantum effects in biological systems
